Evening Swim Practice Change 2010 : Tuesday and Thursday Evenings Swim Team at the Beach Club moves to the MAC.

Snappers who can not make the morning sessions will be able to attend the evening swim team practices at the MAC with the Sharks from 4:30 - 5:30p.m. on Tues. & Thurs. for \$20 for the season. Snappers please check-in with the desk when you visit the MAC and let them know you are there for swim team practice and check-in with coach.

SWIM CONFERENCE votes for 3\$ surcharge per swimmer in conference for **Championships**. Wilson's Beach & Tennis Club has included this in your swim team registration fee.

As a Snapper how do I **SIGN UP FOR MY EVENT OR RELAY** each week?

Each week, we will post events and relay forms on the dry-erase boards for all kids to choose their events and relays for that weeks meet. They will be posted on Thursday and remain available until Tuesday at noon. Simply, check the individual events by their respective name. Relays will be posted as well; as always, we try to accommodate the swimmer with their first stroke of choice and a spot on one of the free relays; however, we may need to shuffle kids around based on number of practices attended, etc. We ask for your patience and support as we do our very best to make sure everyone gets to swim their first choice in a relay

Will there be practice if it rains?

We will practice rain or shine. Yet, the decision is yours and your swimmer. In the event of severe weather, we will have a posted message on facebook, twitter, the answering machine and website. Beach Club phone number is 573.499.1488

Parent **Volunteers** for all swim meets including Championships are a key factor to the success of **every meet home or away....** how can I sign-up to help with a meet?

Timers, runners, and ribbon table volunteers are needed at every meet. We can simply never have enough volunteers. The more volunteers we have, the better the flow of all "home meets" will go.
