Class Descriptions

Anything Goes- This class is chosen by the instructor and the class.

Aqua- A low intensity class which includes a 10-15 minute warm up with stretches, 20 minutes of low-impact aerobics conditioning, 10-15 minutes of toning exercises and a final stretch.

Aquacise- A moderate intensity class including aerobic, strength and flexibility exercises.

Ball Strength- This class is just like body sculpt except using the stability ball for added core work.

Body Bar Basics- Come and check out our new body bars. This is a great way to train your muscles with the comfort of a padded body bar- you'll love them!

Body Bar Interval- Stamina Strengthening Body Bar plus core and cardio intervals. It's a great way to burn fat and calories.

BodyCombat- Empowering cardio workout that is fiercely energetic. Inspired by martial arts and draws from an array of disciplines such as Karate, boxing, Taekwondo, Tai Chi and Muay Thai. (Express=45 minutes)

Body Sculpt- Strengthening of lower and upper body using hand weights and bands.

F.I.T. Girls-Comprehensive exercise program for girls ages 10 and up. Each day focuses on a different fundamental element of fitness. There will be incentives for attendance milestones.

Forever Fit- Low impact aerobics put to some big band favorites. Stay forever fit!

Lengthen and Strengthen (LS)- Focus on core muscles while strengthening and stretching the body from head to toe. Weights, bands and balls may be used.

Over 50 and Fit- A low to moderate intensity class designed for the older adult or entry-level exerciser. Focuses on joint range of motion and overall flexibility with an aerobic segment, cool down and stretch.

Soft Joints- This is geared toward exercisers with various forms of arthritis. Slow stretches in the water designed to increase range of motion.

SS (Sweat and Stretch)- This class offers 30 minutes of cardio followed by 15 minutes of stretching. It's a great combination that your body will love.

Tone it Up- Strength training for every muscle group with cardio intervals to burn calories. Also a focus on core strength and balance.

Water Power Aerobics (WPA)- A moderate to high intensity aerobic workout incorporating a variety of class formats such as intervals, circuits and power moves. Also includes strength and flexibility exercises.

Yoga- Provides focused practice that strengthens and tones muscles, increases bone density and establishes correct body alignment through asanas, breathing technique, warm ups and relaxation.

- Please bring a water bottle to all classes to stay hydrated.
- Aerobics specific shoes are recommended for cardio classes
- Schedule subject to change due to low attendance, instructor injury or instructor availability.
- These classes have been set up to complement each other. Please feel free to attend more than one class in order to receive overall fitness.
- Please be courteous of classes directly after your class and feel free to visit outside of the classroom.
