BodyJam: Lose yourself in the dance-inspired cardio workout to the latest dance styles and hottest new sounds and burn up to 800 calories in the fastest 60 minutes you've ever worked out! **(Express = 45 minutes)**

BodyPump: The original barbell class that strengthens your entire body. This 60-minute class challenges all your major muscle groups by using squats, presses, lifts, curls, etc. **(Express = 30 or 45 minutes)**

BodyStep: This is a simple, athletic and fun workout using the step. Expect to achieve toning for the lower body, increased cardio and coordination, and upper and lower body conditioning for functional strength. **(Express = 30 or 45 minutes)**

Cardio Barre:* A low impact workout utilizing the ballet barre that focuses on cardio, strength and flexibility in a fun and high energy class!

Cardio Step: This is a step aerobic workout for cardiovascular endurance and conditioning. Complete your hour with muscle toning exercises incorporating the full body. Choreography styles will vary so everyone will find success.

Chair Yoga*: This is a gentle class with the *option of using a yoga chair*, incorporating range of motion exercises, alignment, stretching, strengthening, awareness, breathing and relaxation to refresh, energize, improve posture, deepen breathing and improve sense of well-being. This is a safe and slower-moving class designed for seniors and people of all ages with physical challenges or those who might be recovering from an injury. Room will be a comfortable 80 degrees to allow for greater and safer mobility.

CXWorX: This 30-minute class uses resistance tubes and weight plates as well as body weight exercises to work all of the muscles around the core. Be better at all you do with a stronger core!

Females in Training (FIT): This 55-minute class is a unique combination of strength training and cardio intervals, using weights to condition, tone and fatigue muscles. With the use of two high intensity cardio intervals, you'll rev your metabolism and burn calories. Take your fitness to the next level with fun music in a supportive environment.

Flight*: Stages Flight invites the indoor cyclist into a whole new world of exciting experiences, challenges and competitions. With Stages Flight, cyclists can race against themselves, each other or even the clock. Each rider has a customized intensity profile based on % max watt produced by the Stages Power Meter, the same device that Team Sky, winner of the Tour de France, trained on. You'll feel like you're truly in the zone as images displayed on a large screen create one-of-a-kind experiences.

Flight & Flexibility*: This class begins with 30-minutes of Flight, riding until your legs burn and your heart pumps. You'll then move to a 30-minute yoga practice, focusing on upper and lower body flexibility and core strengthening. This combination increases your overall body position and awareness for injury prevention and enhanced riding performance, as well as bringing the mind to a place of inner calm and balance.

Forever Fit: Low impact aerobics put to big band favorites in 45 minutes. Stay forever fit!

GRIT: High-intensity interval training (HIIT), one of the hottest fitness trends, is the fastest way to get fit. Short, sharp bursts of effort allow you to reach maximum training zones and that's the secret to athletic performance.

HIIT Flight*: Short, sharp bursts of effort allow you to maximize your training zone potential utilizing the effective Flight Cycling technology. You will be race ready in no time!

Peaceful Yoga: A calming, stress-relieving yoga class to stretch and strengthen the body gradually. Emphasis is on building awareness of the breath and the body. Asanas are practiced at a slower pace with attention to alignment and detail. Recommended for all levels looking for a soothing, relaxing, and restorative experience.

Pilates*: This class incorporates the classic Pilates style of core, stretch, and total body strength. The instructors will use personalized modification so that all levels receive a quality workout that fits their needs and goals. Props such as weighted balls, magic circles, foam rollers, or Bosu balls may be utilized.

Piloga 60*: This 60-minute class is designed to leave you feeling longer, stronger, and lighter through a sequence of mat Pilates exercises and deep yoga stretches.

Prenatal/Postpartum Yoga*: Prenatal/Postpartum Yoga uses postures, breathing, and meditation to help ease pregnancy, delivery, and the after-effects of birth. The class creates strength, focus, flexibility, and awareness through a gentle practice designed especially for the pregnant woman's needs. The class also helps postpartum women regain vitality and energy that may have been lost during pregnancy with specific focus on rebuilding strength in the abdomen, back, and pelvic muscles, releasing tension in the shoulders and neck, and opening the chest. This class may use props, such as pillows and blankets, so please bring any items that will facilitate the most comfort.

RPM 🚲: This indoor-cycling class is the workout riding to the rhythm of powerful music based on your rotations per minute. Hills, flats, mountain peaks, speed work and interval training are involved in this 45-minute class. **(Express = 30 minutes)**

Sh'Bam: This 45-minute dance class lets everyone become a star of their own dance-out. Hot yet simple moves that anyone can cut loose to. Join the Revolution!

Studio Barre*: A fast and effective way to change the shape of your body. The use of a ballet barre and small isometric movements along with stretching allows your body to become more lifted, toned and lengthened. **(Express = 45 minutes)**

Total Body Workout (TBW): Strength-train your entire body using bars, dumbbells & bands, & a mix of cardio intervals.

Sweat & Stretch (SS): This class offers 30 minutes of cardio followed by 15 minutes of stretching. It's a great combination that your body will love.

Vinyasa Flow: Likened to a dynamic dance, is a practice where postures or asanas are connected through the breath. Build heat, endurance, flexibility, and strength. Creative sequencing around surya namaskar (sun salutations), weaving together wisdom teachings and music inspire physical, energetic, mental, and pure bliss states of consciousness. Props are used to facilitate poses. The class is taught with modifications of higher & lower intensity.

Yoga: Provides focused practice that strengthens and tones muscles, increases bone density and establishes correct body alignment through asanas, breathing techniques, warm ups and relaxation.
