\*Specialty class

★Due to limited space, this class requires signing-up at the front desk prior to class.

**CLASS DESCRIPTIONS**

**Aerial 101\*:** This class is open to all levels and there are no prerequisites. It will take you through a series of poses utilizing the aerial hammock as a tool to achieve strength, length and overall health benefits. Aerial 101 is designed for success by performing the same progression and postures to allow for acclimation, muscle memory and comfort. **Not recommended during pregnancy. Please consult your physician.**

**Aerial Yoga\*:** Aerial yoga is a type of yoga utilizing a fabric hammock as a tool to help students achieve traditional yoga poses. Increase overall health and physical agility while having fun and creating beauty. No experience necessary. **Not recommended during pregnancy. Please consult your physician.**

**Aqua:** A series of high intensity water aerobic exercises, designed to improve cardio-pulmonary fitness, increase strength, endurance, balance and flexibility, all in a 60-minute class.

**Aqua Blast:** This intermediate to high impact class starts with a warm up to get your heart rate up, then moves through energizing aerobics to take it soaring. Working with equipment to achieve a full body workout, we'll challenge your arms, legs, and core, and have a blast of fun while exercises our way to fitness.

**Aquacise:** A moderate intensity one-hour class, which uses water resistance to build strength, burn calories and increase flexibility.

**Aqua Core & More:** The pool offers the ideal environment to challenge core stability. Participants can strengthen their cores and increase flexibility while experiencing a nearly gravity-free workout. Water resistance in all directions, with and without equipment, gives a total body workout--cardio, strength, flexibility & balance—in 60 minutes.

**Aqua ICE:** Interval Circuit Extreme. In this class you will enjoy the benefits of the water and burn more calories while conditioning your cardiovascular system, strengthening your muscles and toning the entire body.

**Aqua Kickboxing:** Join this class for a fun-filled hour of getting your kickboxing groove on in the water with both bells and noodle for great water resistance. Who needs a jump rope when you can use a pool noodle instead? Let's get ready to RUMBLE!

**Aquastretch Fit & Go:** One hour of water aerobics and stretching followed by 15 minutes of additional toning and stretching exercises.

**Ashtanga Yoga\*:** Experience an intro to Ashtanga Yoga! With a focus on breath and movement we will work through a modified beginner primary series. Each class will also have a section of Pranayama (breath work) and relaxation. Ashtanga is the perfect full body workout, and you'll definitely work up a sweat! ***Not recommended during pregnancy. Please consult your physician***

**Barre Fitness\*:** 55 minutes of strength and toning using dance inspired positions, moves and a barre ballet for balance. This full body conditioning class will lift the heart rate and your mood with exercises set to fun music in a supportive and high-energy environment.

**BodyAttack:** A sports-inspired 60-minute cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. **(Express = 30 or 45 minutes)**

**BodyCombat:** Fiercely energetic, empowering cardio workout inspired by martial arts and drawing from an array of disciplines such as Karate, Kickboxing, Taekwondo, Thai Chi & Muay Thai. **(Express = 30 or 45 minutes)**

**BodyFlow:** A yoga, tai chi, Pilates workout that builds flexibility and strength, leaving you feeling centered and calm in one hour. **(Express = 45 minutes)**

**BodyJam:** Lose yourself in the dance-inspired cardio workout to the latest dance styles and hottest new sounds and burn up to 800 calories in the fastest 60 minutes you've ever worked out! **(Express = 45 minutes)**

**BodyPump:** The original barbell class that strengthens your entire body. This 60-minute class challenges all your major muscle groups by using squats, presses, lifts, curls, etc. **(Express = 30 or 45 minutes)**

**BodyStep:** This is a simple, athletic and fun workout using the step. Expect to achieve toning for the lower body, increased cardio and coordination, and upper and lower body conditioning for functional strength. **(Express = 30 or 45 minutes)**

**Cardio Barre\*:** A low impact workout utilizing the ballet barre that focuses on cardio, strength and flexibility in a fun and high energy class!

**Cardio Step:** This is a step aerobic workout for cardiovascular endurance and conditioning. Complete your hour with muscle toning exercises incorporating the full body. Choreography styles will vary so everyone will find success.

**Chair Yoga\*:** This is a gentle class with the *option of using a yoga chair*, incorporating range of motion exercises, alignment, stretching, strengthening, awareness, breathing and relaxation to refresh, energize, improve posture, deepen breathing and improve sense of well-being. This is a safe and slower-moving class designed for seniors and people of all ages with physical challenges or those who might be recovering from an injury. Room will be a comfortable 80 degrees to allow for greater and safer mobility.

**CXWorX:** This 30-minute class uses resistance tubes and weight plates as well as body weight exercises to work all of the muscles around the core. Be better at all you do with a stronger core!

**Extreme H2O:** Take water exercise to the next level with this challenging full hour, total body workout. This class uses the water's resistance and increases the workload with drag and buoyant equipment. Bring a water bottle because you're going to sweat!

**Females in Training (FIT):** This 55-minute class is a unique combination of strength training and cardio intervals, using weights to condition, tone and fatigue muscles. With the use of two high intensity cardio intervals, you'll rev your metabolism and burn calories. Take your fitness to the next level with fun music in a supportive environment.

**Flight\*:** Stages Flight invites the indoor cyclist into a whole new world of exciting experiences, challenges and competitions. With Stages Flight, cyclists can race against themselves, each other or even the clock. Each rider has a customized intensity profile based on % max watt produced by the Stages Power Meter, the same device that Team Sky, winner of the Tour de France, trained on. You'll feel like you're truly in the zone as images displayed on a large screen create one-of-a-kind experiences.

**Flight & Flexibility\*:** This class begins with 30-minutes of Flight, riding until your legs burn and your heart pumps. You'll then move to a 30-minute yoga practice, focusing on upper and lower body flexibility and core strengthening. This combination increases your overall body position and awareness for injury prevention and enhanced riding performance, as well as bringing the mind to a place of inner calm and balance.

**Forever Fit:** Low impact aerobics put to big band favorites in 45 minutes. Stay forever fit!

**GRIT:** High-intensity interval training (HIIT), one of the hottest fitness trends, is the fastest way to get fit. Short, sharp bursts of effort allow you to reach maximum training zones and that's the secret to athletic performance.

**HIGH Fitness:** HIGH transforms old-school aerobics into a highly addictive new fitness experience that combines simple, modern fitness techniques (i.e., HIIT, plyometrics, etc.) with music you know and love... resulting in a high-energy, intense, crazy fun workout that leaves you feeling HIGH and wanting more!

**HIIT Flight\*:** Short, sharp bursts of effort allow you to maximize your training zone potential utilizing the effective Flight Cycling technology. You will be race ready in no time!

**Peaceful Yoga:** A calming, stress-relieving yoga class to stretch and strengthen the body gradually. Emphasis is on building awareness of the breath and the body. Asanas are practiced at a slower pace with attention to alignment and detail. Recommended for all levels looking for a soothing, relaxing, and restorative experience.

**Pilates\*:** This class incorporates the classic Pilates style of core, stretch, and total body strength. The instructors will use personalized modification so that all levels receive a quality workout that fits their needs and goals. Props such as weighted balls, magic circles, foam rollers, or Bosu balls may be utilized.

**Prenatal/Postpartum Yoga\*:** Prenatal/Postpartum Yoga uses postures, breathing, and meditation to help ease pregnancy, delivery, and the after-effects of birth. The class creates strength, focus, flexibility, and awareness through a gentle practice designed especially for the pregnant woman's needs. The class also helps postpartum women regain vitality and energy that may have been lost during pregnancy with specific focus on rebuilding strength in the abdomen, back, and pelvic muscles, releasing tension in the shoulders and neck, and opening the chest. This class may use props, such as pillows and blankets, so please bring any items that will facilitate the most comfort.

**RPM🌀:** This indoor-cycling class is the workout riding to the rhythm of powerful music based on your rotations per minute. Hills, flats, mountain peaks, speed work and interval training are involved in this 45-minute class. **(Express = 30 minutes)**

**Sh'Bam:** This 45-minute dance class lets everyone become a star of their own dance-out. Hot yet simple moves that anyone can cut loose to. Join the Revolution!

**Studio Barre\*:** A fast and effective way to change the shape of your body. The use of a ballet barre and small isometric movements along with stretching allows your body to become more lifted, toned and lengthened. **(Express = 45 minutes)**

**Total Body Workout (TBW):** Strength-train your entire body using bars, dumbbells & bands, & a mix of cardio intervals.

**Sweat & Stretch (SS):** This class offers 30 minutes of cardio followed by 15 minutes of stretching. It's a great combination that your body will love.

**Vinyasa Flow:** Likened to a dynamic dance, is a practice where postures or asanas are connected through the breath. Build heat, endurance, flexibility, and strength. Creative sequencing around surya namaskar (sun salutations), weaving together wisdom teachings and music inspire physical, energetic, mental, and pure bliss states of consciousness. Props are used to facilitate poses. The class is taught with modifications of higher & lower intensity.

**Yoga:** Provides focused practice that strengthens and tones muscles, increases bone density and establishes correct body alignment through asanas, breathing techniques, warm ups and relaxation.
