techniques that are essential for building strength to supplement **Aerial Fabrics Levels 1 & 2**. **Prerequisite:** *Must complete **Intro to Aerial Fabrics** and have approval to participate in this class. **Not recommended during pregnancy. Please consult your physician.***

Aerial Fabric Skills Level 1*: **Introduction to Aerial Fabrics** is a prerequisite for this class, an acrobatic fitness fusion class that will lift you off the ground and get your heart pumping. This challenging art form builds unparalleled upper body and core strength, kinesthetic awareness, coordination and confidence. A dynamic warm-up leads to light stretching, skill-building including climbs, footlocks, poses, sequences, and inversions. Building off the basics learned in the intro class and working at their own pace, students will advance to more difficult moves as they become stronger. Class concludes with a yoga-inspired cool down and flexibility work. Content will be dependent on experience level of those in attendance. **Prerequisite:** *Must complete **Intro to Aerial Fabrics** to participate in this class. **Not recommended during pregnancy. Please consult your physician.***

Aerial Fabric Skills Level 2*: Class content will be dependent on experience level of those in attendance and build on the skills learned in **Aerial Fabric Skills Level 1**. **Prerequisite:** *Must have instructor approval to advance. **Not recommended during pregnancy. Please consult your physician.***

Aerial Hammock Skills*: This dynamic class uses the aerial hammock for conditioning exercises, flexibility stretches and skill building, including poses, sequences and inversions that students are able to combine for acrobatic fitness inspired flows. Students will work at their own pace and advance to more difficult moves as they become stronger. **Prerequisite:** *Must complete **Aerial 101** (or have previous aerial fabrics experience) and have instructor approval to participate in this class. **Not recommended during pregnancy. Please consult your physician.***

Aerial Yoga*: Aerial yoga is a type of yoga utilizing a fabric hammock as a tool to help students achieve traditional yoga poses. Increase overall health and physical agility while having fun and creating beauty. No experience necessary. **Not recommended during pregnancy. Please consult your physician.**

Animal Flow & Restore*: Connect breath and movement with a Vinyasa style warm-up, preparing the joints and body for Animal Flow strength and mobility training. Complete the practice with restorative poses for a complete energetic experience. **Not recommended during pregnancy. Please consult your physician**

BodyAttack: A sports-inspired 60-minute cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. **(Express = 45 minutes)**

BodyCombat: This fiercely energetic, empowering cardio workout is inspired by martial arts and draws from an array of disciplines such as Karate Boxing, Taekwondo, Tai Chi and Muay Thai. **(Express = 45 minutes)**

BodyFlow: A yoga, tai chi, Pilates workout that builds flexibility and strength, leaving you feeling centered and calm in one hour. **(Express = 30 or 45 minutes)**

BodyJam: Lose yourself in the dance-inspired cardio workout to the latest dance styles and hottest new sounds and burn up to 800 calories in the fastest 60 minutes you've ever worked out! **(Express = 45 minutes)**

BodyPump: The original barbell class that strengthens your entire body. This 60-minute class challenges all your major muscle groups by using squats, presses, lifts, curls, etc. **(Express = 30 or 45 minutes)**

BodyStep: This is a simple, athletic and fun 60-minute workout using the step. Expect to achieve toning for the lower body, increased cardio fitness and coordination, and upper and lower body conditioning for functional strength. **(Express = 30 or 45 minutes)**

Cardio Kidz: This 30-minute class is just for kids and makes fitness fun by keeping those little feet moving and grooving with interactive activities set to music. Two classes for two age groups focus on appropriate developmental motor skills in a supportive, social setting. Classes are for those whose children are on an active membership.

CXWorX: This 30-minute class uses resistance tubes and weight plates as well as body weight exercises to work all of the muscles around the core. Be better at all you do with a stronger core!

Forever Fit: 55 minutes of low impact aerobics & strength training, for all who want to be forever fit.

Gentle Yoga*: Begin with full yogic breathing followed by various stretching and warm-up postures to develop flexibility and turn one's attention inward. Progress through sun salutations in a slow and methodical manner to synchronize breath with movement, and create heat in the body. Join with spinal twists, shoulder stand and a final posture before going into relaxation pose with guided meditation. Appropriate for all levels of experience and practice. The room will be heated to 85 degrees with radiant heat only to create a safe and gentle environment for strength and flexibility. No heat added at the Rangeline location. Class length is 60 minutes

GRIT: High-intensity interval training (HIIT), one of the hottest fitness trends on the planet, is the fastest way to get fit and in shape. Short, sharp bursts of effort allow you to reach maximum training zones and that's the secret to athletic performance.

HIGH Fitness: HIGH transforms old-school aerobics into a highly addictive new fitness experience that combines simple, modern fitness techniques (i.e., HIIT, plyometrics, etc.) with music you know and love... resulting in a high-energy, intense, crazy fun workout that leaves you feeling HIGH and wanting more!

Introduction to Aerial Fabrics*: You don't have to join the circus to explore aerial acrobatics. This class gives you a safe, supportive environment to learn the basics including footlocks, basic climbs, beginner poses and inversions starting low to the ground and focusing on technique and building the strength necessary for aerial arts. Students **MUST** attend at least 1 intro class and have approval from the instructor before the Aerial Fabric Skills Level 1 classes. This class is not ongoing; students should attend only 1 – 3 times before testing into Level 1. **Not recommended during pregnancy. Please consult your physician.**

Journey 🚲: A 60-min combo of intervals and hill training for the cycling enthusiast or anyone who likes to sweat.

KettleWorX: This high-energy 45-minute routine utilizes the kettlebell. Choose your weight by color of kettle bell to custom fit this dynamic workout. Focus is on total body fat burning, toning and sculpting, and core strengthening.

Kettle Circuit: This functional and multi-planar workout uses specific exercises to teach important principles in regard to integrating the body more efficiently. This focus creates a workout that increases efficiency, reduces the risk of injury, and improves overall wellbeing.

Pilates*: This class incorporates the classic Pilates style of core, stretch, and total body strength. The instructors will use personalized modification so that all levels receive a quality workout that fits their needs and goals. Props such as weighted balls, magic circles, foam rollers, or Bosu balls may be utilized.

RPM 🚲: Indoor cycling workout where you ride to the rhythm of powerful music based on your rotations per minute. Hills, flats, mountain peaks, speed work and interval training are involved. **(Express = 30 minutes)**

Studio Barre*: A fast and effective way to change the shape of your body. The use of a ballet barre and small isometric movements along with stretching allows your body to become more lifted, toned and lengthened. **(Express = 45 minutes)**

Total Body Workout (TBW): Strength-train your entire body using bars, dumbbells & bands, & a mix of cardio intervals.

Yoga: This 60-minute class provides focused practice that strengthens and tones muscles, increases bone density and establishes correct body alignment through asanas, breathing techniques, warm ups and relaxation. **(Express = 45 minutes)**

Zumba: Zumba involves dance and aerobic elements. Zumba's choreography incorporates hip-hop, soca, samba, salsa, merengue, mambo, martial arts, and some Bollywood and belly dance moves.
