## CLASS DESCRIPTIONS

**Fusion Hot 60\*:** This 60-min practice utilizes the same sequences from Fusion Hot 90 with the exception of 1 round (rather than 2) of standing strength postures and includes the fully vinyasa flow as well as 10 minutes for core, stretch and a short savasana. ***Not recommended during pregnancy. Please consult your physician***

**Hot Barre\*:** This barre inspired workout is one of the fastest, most effective ways to burn calories and get toned! Yes, Hot Barre is centered around a ballet barre and inspired by the workout routine by ballet legend Lotte Berk, but the barre is simply there to provide stability, balance and support as you move through exercises that target the core, glutes, arms and legs. No dance experience necessary, you just need to know these three numbers: 95 degrees, 45 minutes, 800 calories! ***Not recommended during pregnancy. Please consult your physician***

**KettleWorX:** This high-energy 45-minute routine utilizes the kettlebell. Choose your weight by color of kettle bell to custom fit this dynamic workout. Focus is on total body fat burning, toning and sculpting, and core strengthening.

**Kettle/TRX Circuit ⚡:** This functional and multi-planar workout uses specific exercises to teach important principles in regard to integrating the body more efficiently. This focus creates a workout that increases efficiency, reduces the risk of injury, and improves overall wellbeing.

**Pilates\*:** This class incorporates the classic Pilates style of core, stretch, and total body strength. The instructors will use personalized modification so that all levels receive a quality workout that fits their needs and goals. Props such as weighted balls, magic circles, foam rollers, or Bosu balls may be utilized.

**Radiant Yoga\*:** Strike a balance of breath, postures and flow in a room heated to 95-100 degrees with radiant heat to create 'tapas' (healing for your body, mind and spirit). Come to this class to cleanse your body, length and strengthen your muscles, and calm and sooth your mind. This practice may include strength postures as well as arm balances. Come strike a pose! Regularly a 60-min class, Radiant Yoga 75 is our 75-min class. ***Not recommended during pregnancy. Please consult your physician.***

**TRX ⚡:** Learn the basics of suspension training in this 45-minute class. Utilize your own body weight for a great workout.
