

Welcome to Wilson's Jr. Lifeguard Program! Please take a moment to read through the structure of the program.

Jr. Lifeguards shadow for a three hour period on any day from 1-3 pm. Simply pick a day and fill out the form and visit with member services.

Jr. Lifeguards will not be Lifeguard or CPR certified after completing the shadowing; however CPR, and Lifeguarding skills, including water rescues, will be introduced and practiced throughout their time with us.

Jr. Lifeguards participate on a first come, first serve basis, meaning because only 7 Jr. Lifeguards can participate on any given day, Wilson's management will schedule your child as soon as possible.

Program Dates (Pick any day during these weeks)	
July 7th - August 20th	1 - 3 pm

Jr. Lifeguarding is a popular program, we ask that you review your calendar while keeping in mind that each Jr. Lifeguard only participates from 1-3pm on ONE of these days. We will do everything possible to accommodate your first choice for a date and guard to be followed.
