CLASS DESCRIPTIONS

Aerial Conditioning*: Coming back to aerial fabrics after a break or wanting to spend extra time reviewing what you've learned in aerial classes? Work on your strength, flexibility, and grip using Pilates, barre, and silks to strengthen and condition for progression and endurance on aerial fabrics. Class will be half conditioning and half open gym with an opportunity to review skills with instructor presence. **Not recommended during pregnancy. Please consult your physician. Please bring your own yoga mat. Participants ages 10-13 must have parent sit outside studio during class.**

Aerial Hammock*: In this class, you will use an aerial hammock in various ways to build upper-body and core strength. Hammock will challenge your balance and flexibility as you learn to support yourself on the fabric while moving through diverse shapes and transitions for a fun experience with lots of variety. It is a great way to get a feel for aerial work and more experienced students can learn wraps, inversions, and how to build beautiful aerial dance sequences. Plan to have fun and to leave stronger!! Though experience isn't required, beginners are encouraged to attend an aerial yoga class to get the feel of working with the silks. Students will work at their own pace and advance to more difficult moves as they become stronger. **Not recommended during pregnancy. Please consult your physician. Please bring your own yoga mat. Please wear form-fitting clothes that cover your legs. No zippers, jewelry, or shoes.**

Aerial Skills*: An acrobatic fitness fusion class that will lift you off the ground and get your heart pumping. This challenging art form builds unparalleled upper body and core strength, kinesthetic awareness, coordination and confidence. A dynamic warm-up leads to light stretching, skill-building including climbs, footlocks, poses, sequences, and inversions. Class concludes with a yoga-inspired cool down and flexibility work. Content will be dependent on experience level of those in attendance. **Not recommended during pregnancy. Please consult your physician. Please bring your own yoga mat. Participants ages 10-13 must have parent sit outside studio during class.**

Aerial Yoga*: Aerial yoga is a type of yoga utilizing a fabric hammock as a tool to help students achieve traditional yoga poses. Increase overall health and physical agility while having fun and creating beauty. No experience necessary. **Not recommended during pregnancy. Please consult your physician.**

Barre*: A low impact workout utilizing the ballet barre that focuses on cardio, strength and flexibility in a fun and high energy class! No heat will be added.

Barre Fitness*: 55 minutes of strength and toning using dance inspired positions, moves and a barre ballet for balance. This full body conditioning class will lift the heart rate and your mood with exercises set to fun music in a supportive and high-energy environment. No heat will be added.

Flight*: Stages Flight invites the indoor cyclist into a whole new world of exciting experiences, challenges, and competitions. With Stages Flight, cyclists can race against themselves, each other, or even the clock. Each rider has a customized intensity profile based on % max watt produced by the Stages Power Meter, the same device that Team Sky,

winner of the Tour de France, trained on. You'll feel like you're truly in the zone as images displayed on a large screen create one-of-a-kind experiences. ***Please arrive at least 5 minutes before class to allow time for bike setup and to book into the Flight program.***

Flight & Flexibility*: This class begins with 30-minutes of Flight, riding until your legs burn and your heart pumps. You'll then move to a 30-minute yoga practice, focusing on upper and lower body flexibility and core strengthening. This combination increases your overall body position and awareness for injury prevention and enhanced riding performance, as well as bringing the mind to a place of inner calm and balance. ***Please arrive at least 5 minutes before class to allow time for bike setup and to book into the Flight program. Please bring your own yoga mat.***

Fusion Hot 90*: This sequence of postures is designed to work the whole body; muscles, joints, glands and all internal organs. It offers the perfect mixture of strength and flexibility training to allow you to take your functional fitness to the highest level possible. The dynamic internal and external health benefits you will receive will astound and empower you. You will be guided through a series of held postures to build strength, a flow sequence that will get your heart pumping, and a core and flexibility section to create complete harmony through your entire body. The room will be heated to 100+ degrees at 40-50% humidity to heat the body inside and out, to increase flexibility, release toxins, increase calorie burn and improve cardiovascular function for a total mind and body experience. Red light near infrared bulbs are used. The class is 90 minutes with an option leave at the 60-minute mark. ***Not recommended during pregnancy. Please consult your physician.***

Fusion Hot 75*: This practice uses the same sequences as Fusion 90 with the exception of 1 round (rather than 2) of the standing strength postures. You will flow through the same vinyasa sequence, enjoy 25 minutes of core and flexibility training and end with a savasana. ***Not recommended during pregnancy. Please consult your physician.***

Fusion Hot 60*: This practice utilizes the same sequences from Fusion Hot 90 with the exception of 1 round (rather than 2) of standing strength postures and includes the fully vinyasa flow as well as 10 minutes for core, stretch and a short savasana. ***Not recommended during pregnancy. Please consult your physician.***

Hot Barre*: This barre inspired workout is one of the fastest, most effective ways to burn calories and get toned! Yes, Hot Barre is centered around a ballet barre and inspired by the workout routine by ballet legend Lotte Berk, but the barre is simply there to provide stability, balance and support as you move through exercises that target the core, glutes, arms and legs. No dance experience necessary, you just need to know these three numbers: 95 degrees, 45 minutes, 800 calories! ***Not recommended during pregnancy. Please consult your physician.***

Pilates*: This class incorporates the classis Pilates style of core, stretch, and total body strength. The instructors will use personalized modification so that all levels receive a quality workout that fits their needs and goals. Props such as weighted balls, magic circles, foam rollers, or Bosu balls may be utilized in the class.

Radiant Yoga*: Strike a balance of breath, postures and flow in a room heated to 95-100 degrees with radiant heat to create 'tapas' (healing for your body, mind and spirit). Come to this class to cleanse your body, length and strengthen your muscles, and calm and sooth your mind. This practice may include strength postures as well as arm balances. Come strike a pose! ***Not recommended during pregnancy. Please consult your physician.***

Red Light Chair Yoga*: This is a gentle class with the *option of using a chair*, incorporating range of motion exercises, alignment, stretching, strengthening, awareness, breathing and relaxation to refresh, energize, improve posture, deepen breathing and improve sense of well-being. This is a safe and slower-moving class designed for seniors and people of all ages with physical challenges or those who might be recovering from an injury. Room will be a comfortable 80 degrees to allow for greater and safer mobility, and taught under our red light near infrared bulbs.

Red Light Gentle Yoga*: A harmonious fluidity of movement and breath. We begin with centering and gentle warm up exercises and then build progressively with postures that lengthen and tone all the major muscle groups. Modifications and props are incorporated to support alignment and progression. The room will be heated to 85 degrees with radiant heat to create a safe and gentle environment for strength and flexibility, and we will utilize our red light near infrared therapy.

Red Light Warrior Yoga*: This specialized, trauma-sensitive yoga class is ideal for all who have experienced any kind of trauma or high stress, but all are welcome. This gentle, empowering practice allows us to learn how to free troubling

emotions, persevering thought patterns, chronic somatic tension and hyper-vigilance through concentrated breathing and slow-moving asanas, as well as meditation and mindfulness exercises, in a safe and trusting environment. This therapeutic class will be taught under our red light near infrared bulbs, bringing a gentle warmth. Free of charge to those with a military ID.

Studio Barre*: A fast and effective way to change the shape of your body. The use of a ballet barre and small isometric movements, along with stretching, allows your body to become more lifted, toned, and lengthened.

Yin Yoga*: Yin yoga is a slow-paced style of yoga that uses specific asanas (postures) that are held for longer periods of time, typically from 1 minute to five minutes or more, depending on the posture. These postures access deeper layers of the fascia, promoting essential balance in our mental and physical bodies.
