CLASS DESCRIPTIONS

ABC Yoga (Asanas and Breathing for Children)*: Little yogis are invited to this 30 minute class where we'll learn poses and breathing techniques, play games, and practice mindfulness together – and of course, have a whole bunch of fun in the process. We'll practice barefoot or in our shoes and you're free to bring your own mat or use one of ours. A comfort item (blankie or stuffed animal) can be brought for final meditation. We'll meet in the playcenter and walk to the studio together, then come back to the playcenter when we're done. Kids who are already on their parents' membership are free and everyone else (members and non-members) can come for just \$5/class! Please note this is just for our little yogis and is not a mommy-and-me class.

Aerial and Hoop Skills*: An acrobatic fitness fusion class that will lift you off the ground and get your heart pumping. This challenging art form builds unparalleled upper body and core strength, kinesthetic awareness, coordination and confidence. A dynamic warm-up leads to light stretching, skill-building including climbs, footlocks, poses, sequences, and inversions. Class concludes with a yoga-inspired cool down and flexibility work. Content will be dependent on experience level of those in attendance. An aerial hoop (lyra) may be used as an option for conditioning. **Not recommended during pregnancy. Please consult your physician. Please bring your own yoga mat. Participants ages 10-13 must have parent sit outside studio during class.**
